Reading Log

Parents,

Homework in second grade includes a minimum of 75 minutes of reading for the week. More is even better! Students may choose to read a book from our classroom library or one from home. Record the date, book title (or titles) plus total minutes read for each night. Children will be graphing their home reading minutes.

Parents: **PLEASE SIGN** the log. Reading minutes will not be counted if a parent signature is missing. Reading logs are expected to be turned in on Monday mornings

Date	Minutes Read	Titles of Books Read
		1. _____ 2. _____ 3. _____ 4. _____
		1. _____ 2. _____ 3. _____ 4. _____

Parent Signature		

How to know if your child understood what they read:

1. Ask for a short summary of the story.
2. Ask them what their favorite part was
3. Ask them to predict what might happen next. (Good for chapter books)
4. Ask them what new information they learned (non-fiction books)

Remember, reading isn't just saying the words. It's all about the comprehension!
